

## Various Levels of Commitment to New Day Church

**Community** = those that have not yet come to New Day  
(these people have committed to nothing)

**Crowd** = those that have come 1-2x to New Day  
(these people have committed to coming 1-2x )

**Congregation** = those that regularly attend New Day  
(these people have committed to coming regularly)

**Committed** = those that serve, give, and participate in growth groups at New Day  
(these people have committed to serving, giving and participating in growth groups)

**Core** = those considered high capacity volunteers or paid staff at New Day  
(these people have committed to leading various departments/sub-departments )

## Overview of our Church Systems

**Evangelism System:** How we attract people to our church.

**Worship Planning System:** How we plan, implement and evaluate the weekend services.

**Assimilation System:** How we move people from first-time guest to members.

**Small Groups System:** How we fill and reproduce small groups at our church.

**Ministry System:** How we mobilize people for ministry at our church.

**Stewardship System:** How we develop extravagant givers at our church.

**Leadership System:** How we develop leaders at all levels of our church.

**Strategy System:** How we constantly evaluate and improve our church.
